Natures Images cannot be held responsible for any loss or damage to personal items, or for personal accident or injury: all activities are entered into at your own risk, although Natures Images and its employees are covered by worldwide public liability insurance. As such it is a fundamental condition of all our holidays that your own personal travel insurance be in place, covering cancellation and curtailment, medical and emergency expenses (including repatriation), personal accident, injury and death in addition to loss of/damage to luggage and possessions, personal possessions and flight cancellations/delays.

By signing our booking form you acknowledge that Natures Images has taken all reasonable steps to safeguard its liability in this respect.
